43. Defendant CHMI denies the allegations in Paragraph 43 of the Complaint.

44. Defendant CHMI denies the allegations in Paragraph 44 of the Complaint.

45. Defendant CHMI denies the allegations in Paragraph 45 of the Complaint.

46. Defendant CHMI denies the allegations in Paragraph 46 of the Complaint.

47. Defendant CHMI denies the allegations in Paragraph 47 of the Complaint.

48. Defendant CHMI denies the allegations in Paragraph 48 of the Complaint.

Accordingly, no response to the allegations in these paragraphs is required by Defendant CHMI. To the extent a response may be deemed to be required, Defendant CHMI denies the allegations in Paragraphs 49 through 57 of the Complaint.

50. Defendant CHMI denies that Plaintiff is entitled to the relief requested in the "WHEREFORE" section of Plaintiff's Complaint or to any other relief.

51. To the extent not specifically admitted, Defendant CHMI denies each and every allegation contained in Plaintiff's Complaint.

FOR A FIRST DEFENSE

Plaintiff's Complaint should be dismissed, in whole or in part, for failure to state a cause of action upon which relief can be granted.

FOR A SECOND DEFENSE

Defendant CHMI has not engaged in any act constituting willful misconduct, demonstrating wantonness, oppression, want of care, or any other conduct of any type whatsoever which could support an award of punitive damages under applicable law.

FOR A THIRD DEFENSE

Some or all of the relief sought by Plaintiff is barred by the doctrines of unclean hands, laches, and/or estoppel.

FOR A FOURTH DEFENSE

At all times during her employment with CHMI, Plaintiff was an at-will employee.

FOR A FIFTH DEFENSE

Any award of damages should be barred or limited to the extent that the relief demanded by Plaintiff is improper, inappropriate, exceeds the scope of permissible damages and remedies, and/or otherwise is not available under the laws upon which her claims rest. Alternatively, in the event that Plaintiff is granted relief, such relief should be limited by the applicable provisions of any state law upon which Plaintiff's claims rest.

FOR A SIXTH DEFENSE

Plaintiff is not entitled to an award of punitive damages against Defendant CHMI to the extent that such an award is barred by the Constitution of the United States and the Constitution of the State of South Carolina. Defendant CHMI further alleges that any award of punitive damages would violate the prohibition against excessive fines found in the Eighth Amendment of the Constitution of the United States as applied to the state by way of the Due Process Clause of the Fourteenth Amendment of the Constitution of the United States. Further, any award of punitive damages would violate the guaranty of due process found in the Fourteenth Amendment to the Constitution of the United States because of the lack of objective guidelines on which a jury might base its award and, further, that such guidelines to the extent that they exist are arbitrary and void for vagueness.

FOR A SEVENTH DEFENSE

Defendant CHMI paid Plaintiff all wages due in accordance with the South Carolina Payment of Wages Act.

FOR AN EIGHTH DEFENSE

Any amounts withheld from Plaintiff were withheld pursuant to policy and in good faith within the meaning of the South Carolina Payment of Wages Act.

FOR A NINTH DEFENSE

Plaintiff is not entitled to treble wages (or any other amount), costs, and attorney's fees under the South Carolina Payment of Wages Act, § 41-10-80, because Defendant CHMI at all times acted in good faith. Any withholding of Plaintiff's wages was due to a bona fide, good-faith dispute over Plaintiff's entitlement to those wages.

FOR A TENTH DEFENSE

Plaintiff's Complaint is barred, in whole or in part, by the doctrine of payment, as Plaintiff has been properly compensated.

FOR AN ELEVENTH DEFENSE

Plaintiff fails to allege loss of wages as defined by the South Carolina Payment of Wages Act.

FOR A TWELFTH DEFENSE

Defendant CHMI alleges that the actions and/or statements allegedly published by Defendant CHMI did not have a defamatory meaning, and therefore the claim for defamation should be dismissed.

FOR A THIRTEENTH DEFENSE

Defendant CHMI alleges that the statements allegedly published by Defendant CHMI were truthful in all respects and that such truth acts as an absolute defense to Plaintiff's cause of action.

FOR A FOURTEENTH DEFENSE

Assuming any allegedly defamatory or slanderous statements were made, which Defendant CHMI expressly denies, Plaintiff's claims are barred because the statements were protected by a qualified, conditional, and/or absolute privilege.

FOR A FIFTEENTH DEFENSE

Assuming any allegedly defamatory or slanderous statements were made, which Defendant CHMI expressly denies, those remarks were not published by Defendant CHMI.

FOR A SIXTEENTH DEFENSE

Defendant CHMI alleges that the actions and/or statements allegedly published by

Defendant CHMI were not made with actual or implied malice, and therefore the claim for defamation should be dismissed.

Defendant CHMI reserves the right to amend its Answer or add further defenses that may become known after filing of this pleading.

WHEREFORE, Defendant CHMI requests that judgment be entered in its favor, that Plaintiff's Complaint be dismissed with prejudice, and that the Court enter an Order granting to Defendant CHMI its attorneys' fees, costs, and expenses, as well as other relief deemed just and equitable under the circumstances, incurred in defending this action.

Respectfully submitted this the 15th day of February, 2017.

Respectfully submitted,
